

Watch On The Go

Using the Fision TV+ App or TV Everywhere
you can take your entertainment with you!

Fision TV+ App

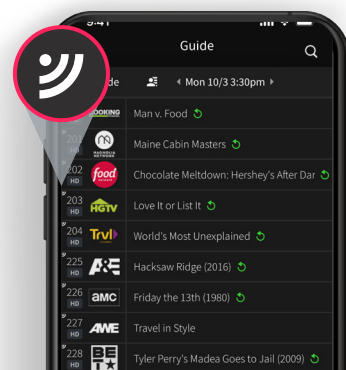

Enjoy streaming live television on your tablet or mobile device using the Fision TV+ app. Our intuitive and easy to use app will allow access to live TV, replay TV, recorded DVR programs, network On Demand and Video OnDemand rented movies*.

WATCH LIVE TV

We currently have **over 200 channels** available to stream live TV when you are away from home. *See page 2 for the full list of channels.*

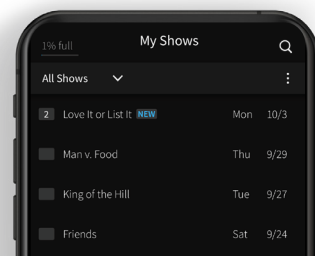

Throughout 2025, we will continue incorporating out-of-home streaming capabilities into additional channels. As we add this feature, you will have immediate access to view these channels out-of-home. In the guide you will see  to indicate if the channel is available for streaming and it will also show you if Replay TV  is available.

See page 2 for the full list of channels.

WATCH & CONTROL YOUR CLOUD DVR

Forgot to set a recording before you left home? No worries, using the Fision TV+ app you have access to all the DVR recording features. Use the guide to set a recording, or schedule a OnePass, just like you do from home. Plus, you will have full access to watch all your recorded programs on-the-go.

TV Everywhere
